

2022 Summer Program

For many of us it seems like forever since SSLL published a program. We're pleased to offer this brochure and hope it helps us get some normality back in our lives.

There are always unknowns to deal with, but unfortunately some have become "knowns" – the triple whammy of Covid, inflation and war. While it's not possible to know how any of them will work out, life goes on. Every day is one day less in our personal "time bank". Many members have asked us to offer programs because they want to do all they can, while they can.

The next two years will determine the future of SSLL. Our first program brochure was published in April 2013. From humble beginnings the 100% volunteer management team built the organization to 384 members, hired a director, and focused on sustainability. It is that effort that produced the resources we are now using to restart the program. But the "rainy day" fund will only last so long. Covid has set us back to where we were in year two. We must rebuild.

SSLL is a community treasure. **Its future will be determined by you, its members.** We need to increase membership. If every current member would introduce one person, a friend, a family member, a neighbor, membership would double. And you would be doing them a favor. Active people are healthier and happier than those with a sedentary or isolated lifestyle.

"People who spend face-to-face time with friends and family, attend classes, volunteer, or attend religious services [*or travel*] may see brain function return to normal. This can happen even if they'd started deteriorating years before – which is good news for those whose memory and processing skills declined during lockdown."

<https://mol.im/a/10578899>

We also need participation in trips and classes, especially trips. That's what funds our overhead. Yes, prices have gone up, but we're doing everything we can to offer some lower priced trips and control expenses. Most of the increase is due to bus prices. Prior to Covid, insurance on a bus was \$8000 a year. It's now between \$32,000 and \$40,000 per bus, per year! No wonder prices have gone up. Many bus companies have gone out of business, and some limousine services no longer offer smaller busses. Our bus prices have doubled. It is what it is, but we are still exploring alternatives. Even with higher prices SSLL trips are still reasonable because we don't have the personal expense of driving to Saginaw or Bay City to join a tour. Our trip fee includes the three-to-four-hour cost to bring the bus to Tawas.

Thank you to those who have volunteered to help. If you have already volunteered for office work, we'll be contacting you before the end of April. A free Trip Leader Training session will be held Tuesday, May 24th, from 10AM – noon at IRESA. You must register for this class. It's mandatory for all trip leaders. Also, starting in May we'll need office help. This is a two-hour commitment once every week or two.

MISSION STATEMENT

SSLL is a member directed 501(c)3 nonprofit organization that plans and offers informal educational programs and activities to enrich the daily lives of its members and others through classes, trips, outdoor activities, and social events. Sunrise Side Lifelong Learning (SSLL) offers unique classes, but without tests, grades or papers that will meet in 1-4 two-hour sessions. Some day long workshops are also available. REGISTRATION AND EVENT DETAILS

- 1. REGISTRATION:** Participants can register upon receiving their program. Registration can be mailed or brought to the office. Registrations will be taken in the order received. To guarantee your reservation in a class or trip, payment must be received with your registration form. Trip and class size limits are listed with each description. Maximum trip size is 37 unless otherwise stated. A registration deadline is needed to be able to secure bus, tickets, and meals ahead of time, in order to conduct the trip. If you have missed the deadline for the trip, you can still call to indicate your interest. In some cases, you may still be able to register. Times of SSSL events are subject to change. You will receive notification with all pertinent information at least one week prior to an event. Notifications will be via email if you have not submitted the additional \$7 membership fee for mailing. Always check your spam or junk mail for notification.
- 2. WAIT LISTS:** When an event is full, we form a wait list. If a cancellation occurs, we will call the first person on the wait list and continue down until we can fill the vacancy. If you have paid for an event and are waitlisted, you will be refunded once the event takes place.
- 3. TRIP ACTIVITY LEVELS:** Please do not sign up for a trip that is beyond your physical capabilities. All trips have a symbol that shows that trip's activity level.

M=Moderate: may need to walk a mile, stand for over an hour, may need to climb stairs
H=Hard: may need to walk more than a mile on uneven terrain, may need to climb up to 2 flights of stairs, may need to be in confined spaces, may need to do several activities back-to-back

- 7. CANCELLATIONS, INCOMPLETE EVENTS AND REFUNDS:** If you cannot attend an event for which you have already paid, you must notify the SSSL office, 362-3006 ext. 1168 one week prior to the class and one month prior to a day trip, in order to receive a refund. Additional restrictions on cancellation or refunds for events may apply as set forth in the descriptions or terms and conditions of third-party providers. If area schools are closed due to weather conditions then, unless registrants are otherwise notified by phone or email, all SSSL events for that day will also be cancelled. In addition, SSSL may cancel or be unable to complete events due to inclement weather, emergency, acts of God, actions of third parties, or other events or circumstances beyond the control of SSSL. If an event is cancelled or not completed, SSSL will make reasonable attempts to reschedule the event. If an event is not rescheduled, or a registrant provides notice to SSSL that the registrant is unable to attend the rescheduled event, SSSL will issue a refund to the registrant; provided, however, that the amount refunded to the registrant will be reduced by any amounts paid by SSSL to third parties in respect of the event for which SSSL has not itself received a refund.

SUNRISE SIDE LIFELONG LEARNING

Charitable Giving

To sustain our quality programming, your financial support is needed. Although Sunrise Side Lifelong Learning (SSLL) is tremendously fortunate to have passionate, qualified members, friends and others willing to volunteer their time and expertise, we still have many annual operating expenses necessary to offer such a program.

Our current membership fees cover approximately 50% of our ongoing costs. Therefore, the remaining must be raised through donations, gifts, and grants. Our plans for development and an enhanced quality of programs depend 100% on charitable gifts.

Your consideration of a tax-deductible gift will benefit the program and help secure the SSLL legacy. If you would like to give to SSLL, please make a check out to SSLL and designate how you would like us to use the funds:

- (a) Transportation (bus leasing)
- (b) Speakers
- (c) Printing, Publications and Office Supplies
- (d) Staff Compensation
- (e) Insurance
- (f) Technology and Software, or
- (g) General Use

Ways You Can Give to SSLL

1. SSLL is a 501(c)3 organization and as such can receive **tax-deductible contributions** under section 170 of the Internal Revenue Code. We can also receive tax-deductible **bequests, transfers, or gifts**.
2. If your **estate plan** is several years old, or if you don't have a will or living trust, see an attorney before year's end to update plans. When planning your will or updating your existing estate plan, consider adding a bequest to SSLL to continue regular gifts.
3. Look at your **stock portfolio** to see if you have appreciated stock or mutual fund shares to use for charitable giving.
4. Check old **US Savings Bonds** to see if they have stopped earning interest. If you have some of these bonds, redeem them and use the proceeds to make a gift to SSLL.
5. If you are age 70 ½ or older, transfer part or all of your 2022 **Required Minimum Distribution** to SSLL.

If you make a charitable contribution to SSLL, you will receive a letter indicating the amount given and the date, so you have documentation for your 2022 tax year records. We can't thank you enough for giving us your serious consideration!
